“ *When I had to tell my children that Auntie Julie had passed away they were very sad and then the memories started flooding in. Remember when we went swimming, remember the little dog, remember Easter! We all have such fond memories of Easter at Julie's and Larry's What a wonderful thing they did to bring so many families together all the food and friends and love. Julie making sure there were enough Easer Eggs(you could never have too many)and that everything was just right and then to watch all the little children search for the eggs dropping them out the other side of the basket their delighted face's Look Nanny I Found an Egg! and so many big hugs and kisses for Julie. Remember when Kristen got caught in the rose bush trying to reach that egg! We love you Julie thank you so much for being in our life we will miss you. Love Tricia ,Fred, Dana, Emily and Max Mewes.XOXOXOXOXO*
