“ To all of the Smith family, our neighborhood family, I want to extend my sincere condolences. We did not have much growing up but, we did have each other and we did have a lot of fun. I will never forget the good times we had growing up on Washington Ave. God Bless and give you strength.

“ Julie~ when I was little wanted my name to be Julie,because you were so beautiful,as I got older wanted to be married like you and have a corvette and kids, we took Many trips to Kentucky to either drop off the girls or pick them up, I would beg my mom to let me go,I need to thank her now for all those times! They are Great memories of my life! Going down the highway music as loud as can be singing Billy Ocean. Lol. Honking at truck drivers. Laughing the whole time, you gave me the chance to see different states which at the time I would of never been able to. I thank you! You taught me to be able to fart in front of people and Laugh soooo hard about it but back then I thought you were crazy! Hahahahah..... now I always think of you when I do it to my kids! Of course now they think I'm crazy! I know what the meaning of a black rose sent to someone means and thought of you when I wanted to send them! The first time staying at a hotel with a pool or eating fried mushrooms (even if I didn't eat the mushroom) just the breading! So many Memories come back to me and all the yrs that have gone by with out seeing or talking to you to ever say Thank you! I'm sorry for never telling you those simple words~ Thank you!!!! You will never know how much you meant to me, I thank for being in my life and love you dearly <3.  
Love always, carey shea burnes
