“ *My mom was my Strength, My guidance, my Hero. She was the Strongest person I know! The memories of all her love she shared with me and my family are immeasurable! She was always supportive in everything I did. The loss in our family has been incredible but her not being in my life no more has stolen a huge part of my Heart and soul! Momma I love you more than words could ever explain and my only comfort is that you are reunited with the rest of our family and no longer in pain! Life will never be the same without you!!! Love Diane*
