“Marilyn Wilken mailed mom a copy of June's obituary, and I am so thankful that she did! June was a special friend of my mom for many, many years. I remember making May baskets when I was in elementary school, filling it with spring flowers, and riding my bike to your house to deliver this May basket to your mom. I remember the many conversations our moms had, and hearing them laugh and laugh. We send our deepest sympathy. Thankful for God's gift of eternal life to those who believe in Him. What a precious promise! Mom will be 96 on Dec 8. She recently was in the hospital and is currently in rehab. Her arthritis makes it difficult for her to walk, so she spends most of her time in a wheelchair. And dementia is beginning to affect her mind. Mom lives in assisted living about 25 minutes from our house. We bring her to church every Sunday and over to our house. Mom has 9 grandchildren, and 14 great grandkids with 3 more on the way between now and February. Mom wants to send her deepest sympathy also.

“ I met June years ago through a business relationship which bloomed into a friendship. She had such a sweet personality and was so easy to talk with. My heart goes out to her sons and families at this time. Cherish the time you had with her and the memories you still have.

“ I am so sorry to hear of your loss. I knew her as Mrs. Krause my elementary music teacher at Steuben School. She gave me my love for music and I appreciate how she shared her love for music with all her students. She made a great impression on my heart and she is a teacher who I will never forget.

“ My heart is heavy for losing beautiful June! She was the very best grandmother to Sharon, Becky, Julie and Matthew! Our times together back in the day are treasured forever! My most recent memories were of our sweet visits of at the grocery store. She always asked about my beautiful mother, Pat and the loss, and all of my family by names. She was just precious! I'm so glad that she was a part of holidays that our family spent together. My mom

Was with her sweet husband the night she passed and still remembers how sweet and kind June was! The memories are carved in my heart! Life is short and her love spread to others with ease and love! Rest easy and fly high! I know you are with your husbands and of course my sweet Pat! ❤️❤️❤️🥰

I am so sorry for the loss of your lovely mother & grandmother. When I joined KSD, June was one of the first teachers to make me feel welcome & invite me to a gathering at her home. June was pretty, professional, respectful, talented, well dressed, soft spoken, kind & thoughtful with students as well as adults. We enjoyed sharing family updates & she was especially pleased & proud of you all & your many accomplishments throughout the years. Jesus said in John 11:25b-26a "I am the resurrection & the life; he who believes in Me shall live, even if he dies, & everyone who lives & believes in Me shall never die." Sincerely with a special prayer for your family.
