“ I knew June for a few short months but it was a great pleasure! She was a very nice soft spoken lady. I was honored to be one of the few that took care of her in her final days. We all miss her very much but she is at peace now.

“ I remember this kind hearted soul who lived across the street from us in Bradley. June is one of the reasons the east side was such a great neighborhood to grow up in. Bob Prue

“ I remember June and Bob as the wonderful neighbors across the alley. She would leave a handful of chocolate chips out of the recipe for us to snack on while the cookies baked.

“ We will miss you a lot, Aunt June! You're finally with the love of your life, Uncle Bobby.
A great aunt and neighbor. I still make your date nut bread recipe at Christmas. A good friend in support when Dave was in Africa. So many wonderful memories to mention.
God Bless. We love you. Carolyn & Dave

“ *My Aunt June was a lovely woman. Always had a smile and a hug for us when we were little. Even as her sight failed it never ceased to amaze me how she would know me when I walked into the room. No pain in heaven and the blind will see. God Bless*
