

K. Michael Sigler

August 20, 1957 - December 12, 2018

K. Michael Sigler, (Mike, a.k.a. "Rock-n-Roll") 61, of Kankakee, died peacefully with family by his side after losing his battle with cancer, December 12, 2018 at his home.

He was born August 12, 1957 in Ottumwa, IA but relocated to Kankakee at a young age with his family where he continued to reside until his death. He was a former graduate of Kankakee Westview High School Class of 1974. Most recently, Mike was a contractor for Parson's where he worked on government contracts for the FAA in various locations throughout the US on telecommunications with fiber optics in control towers.

Everyone who knew Mike knows of his love for his Harley, the outdoors, and firearms. He could often be found wearing his Cubs hat and cheering on his favorite team. Mike enjoyed watching his nephews perform, whether playing in their band or watching them pitch on a ball field, he was always there to root them on.

He will be greatly missed by his close, loving family and friends.

“ *Worked with Sigler in Pennsylvania aka pennsytucky for a few months. After work it was a glass of VO brandy which was his staple, we made each other laugh and always knew how to hang out together and have fun. He was at my wedding when I didn't expect him and we worked various telecom jobs together and always got things done! I look forward to seeing him again in the new system with Christ Jesus as our king!*

I worked with Mike through my telecom career, he took me under his wing and taught me many great things. I did a stint in Pennsylvania for a few months and became best buds, I just found this out now and my heart is broke knowing I can't say hi to him. I miss him dearly! Your friend Chico!
