“ Laurie, John and Scott, So sorry to hear of your mom's passing. We would have paid our respects had we known. I was just thinking of her less than a month ago. We used to ride our bikes to go see her in her bright yellow house. We hadn't kept up more recently, but she was always in our hearts. We will miss her and yes, she is with Mary now. Prayers to you all.

“ Too bad that John gave permission that only the closest of family was to be at your wake. But then, that's ok because I know that you are now where you would rather be; with Mary. You dearly loved your children and it is sooo great that you now have the chance to be with one and will eventually be united with all of them. They loved you and wished that they could have spent more time with you. Nothing can come between you and the kids now. Rest with Mary until you all are united for eternity. Thanks for the laughs and the good times.

“ *Attn: Dolores, Kathy's mother,*

Dear Dolores, John and family,

I just received notice of Kathy's passing when Judy Boster emailed me a copy of the obituary. I pray God's comfort be yours and the family. Burying a child must be one of the hardest experiences for a parent, but knowing Kathy is with her Lord hopefully helps you at this time.

I am very thankful when I am reminded of you, Dolores, and others, including Kathy, who supported our ministry in Herscher. I remember fondly a meal Kathy treated us to the night we left Herscher to go to Michigan. I remember the great chicken casserole we enjoyed. I am happy to think of the reunion Kathy and Connie, among others, are enjoying around the throne.

God bless you,
