“ Kathy was one of my first friends. I remember so many times spent going back and forth between our 2 houses... riding bikes, playing together, and all those nights we spent catching lightning bugs. Jim, Joyce and I all had a great time with your family Kathy, Larry, Tommy, Dena and Alan while we were growing up. <br> <br> Although we did not keep in touch after high school it was really great to catch up with Kathy at a class get together a couple of years ago. It was so evident during our conversation just how close she was to her daughter Jennifer and what a special young woman she is. I'm just sorry that we did not get together more but I've always been able to keep track of everyone through our dad's visits. <br><br> There are no words that I can tell you that can take away your pain and loss but you are all in my thoughts and my prayers. Love always, Janet##imported-begin##Janet Gall Anderson##imported-end##
