“ *My deepest condolences to Ken and the rest of the family. Her GAIN our loss. She was always such a friendly happy person since we were very young cousins. I well remember her being the Gladiola Queen. My parents brought me out to see her in the parade when I was 8 and let me stay at my other Aunt and Uncle's house so I could see her. It was really a big deal! We saw each other only rarely as adults since I did not live in the area but it was always fun to catch up when we did see each other.*

“ Oh my dear Kassy, she was the best neighbor a family could ask for. Kassy loved my kids as if they were her own, the homemade chocolate chip cookies and treats she would bring over for them, there was always something for them. Her phone calls to borrow eggs for chicken salad for Kenny's lunch and our little chats in the yard. I could go on and on with such fun and memorable times with Kassy.

*Kenny, Julie, Joel, Jim and Jay and family, please know that you all have our love and prayers .*
