“ *When I think of Kathy, many memories come to mind. But of all the memories one thing stands out. Bravery. She was, and as I often told her, the bravest person that I knew.*

*Not many people could endure what she did and for so long. And, keeping that wicked sense of humor along the way!*

*I will miss you, my friend. Especially the long talks and the laughter we shared over the phone. The many lunches we had over the years during the holidays and summers. Shopping for after Christmas bargains to add to your twenty plus boxes of decorations!*

*These are memories that will never be forgotten but treasured. Until our next shopping expedition!*

*Love,  
Barb*
