“ I really enjoyed taking care of Miss Kay at Heritage Woods. It's been 4 years now, but we went to Bakers Square for dinner and pie before I moved back to Texas. I enjoyed spending time with her. RIP Kay

“ We have had the pleasure of meeting many wonderful families over the years of our life. The Welton family stands out among those who had a great impact on our lives. Kay was always gracious and encouraging of a young pastor and his family as they entered the ministry and we have been bless your family. Our thoughts and prayers are with you in this time of loss.

“ *May God Bless the children of Kathleen. I knew them when the Weltons pastored the Parkdale Church of the Nazarene. I fondly remember Jill and the twins as they were very young and I always wondered how they grew in God's Grace. My prayers are with them at this time of celebrating their mothers going home to be with her Savior. God Bless you all!*

“ Over 50 years ago Kay & her wonderful family moved to Three Rivers & loved our family. Kay was blessed with a quiet grace & love for Jesus that blessed everyone she touched. I remember her funny sense of humor & she liked to drive fast! What I always admired about Kay was her great courage after Rev. Welton passed. She is now whole & standing tall with the Jesus she loved so much...

*Praying for peace & comfort for all your family. We love you.*

“ Kay - what a charming and funny lady. We shared many memorable times at the nursing home because of her sharp wit and great sense of humor. She would come to my desk and even if it was just for a few minutes, I enjoyed her company. I am truly going to miss her. This picture of her reminds me of her thinking, "now what mischief can I stir up next?". And I will miss her daughters Kathy and Jill - what lovely ladies and so dedicated to their Mother. My condolences to the entire family.

*I began looking for Kay Welton today on FB and discovered she had passed on to Heaven last year. I don't know if the family will see this at this late date, but Kay was a wonderful role model to me. She and Rev. Wayne Welton were married when I was 12, and Rev. Welton was pastoring our Caro MI Church of the Nazarene. Kay was my Sunday school teacher, and inspired us to memorize scripture. I always won the memorization contests. She awarded me a beautiful framed picture of Solmon's Head of Christ and a silk head scarf covered with butterflies and a blue border. I still had these until we had a house fire and lost everything in Jan. of this year. (I am now 81, so you can see how much these gifts meant to me.) Jill, Kathy, and David, I remember when you were born. I remember your mother recounted to us that when she was leaving the hospital with the twins, a nurse said, "See you next year!" Kay replied, "No, you won't!" Ha! God bless all of you!*
