“ Kathy and I are two years apart Sisters of 4 Brothers and three sisters yes 9 of us. Kathy worked in a nursing home for a few years and this was her favorite job. She loved people and giving. Oh yes, I can definitely remember when she decides to dye her hair it is so far from her natural she went Blond for my wedding which was a surprise as all my sisters were in my wedding true brunettes and my one blond. Kathy lived with us in SC for about two years and in those years it was a good time, but her heart was in Illinois her son and Grandsons. We could not have been happier when she meant Jack she was no longer alone and he was her Partner. Jack showed her love and concern they came here for a week and we had a really good time together. Jack let us stay there a few times and even our children and grandkids when we come in for dance competitions. They always made you feel at home. Kathy would joke with you and Laugh at her own jokes. I will miss her and want this picture of her because this really says it all. Well sis I have a lot to say because you are part of my life that was special in ways I want to keep in my heart. I am sorry I am not there and I know you understand, you know I believe you are closer now, than you ever have been. I know that you are with Linda and the many others. Look after us and we all can use another guardian angel.

Kathy, what a shock! I thought you were going to be one of the last. I enjoyed our trips together to see your mother in Bourbonnais. You were so lonely after Clarence passed. We had so much in common. Jack came to the rescue and I met Charlie. Jack made your life full again. Always smiling. Your love for family was unconditional. I am so glad I got to see you last year. So many family memories. you will be in my heart always

My heart is saddened from your passing. Our family and the Boss family grew up together as kids and I enjoyed all the times we spent together as kids. Sadly as we got older we kind of drifted apart but always loved you Kathy and the entire family. I pray that God holds you in his arms in heaven. You were truly a good person. Say hi to Uncle Andy and Aunt Betty, your Mom and Dad, Linda , John and Faith you will be in heavenly care.
