“ My family sends our deepest Condolences to the Family and friends of Kathy. It's still is a shock to the system to loose a Good Friend/Sister. Kathy was so sweet and giving from the moment we met. Our boys played Cougar and Hillcrest football together and went to school together. Kathy was a light even in dark times. Gone way too soon but she will NEVER be forgotten. May she Rest In Paradise. 🙏

“ My condolences to Kathy’s family especially her children whom she loved deeply. Our girls met when they were 8 years old and Kathy was definitely like a second mom to my daughter. She always included her and showed nothing but love. I am forever thankful of that. She was a very, thoughtful, generous and kind person! I’m really saddened by this news. Sending Love and Light to the family.

“ *My heart breaks for Kathy, her family and friends. I can not put into words how deeply sorry i am. I remember some of the holidays that our families got together for and trips when we visited! I felt loved when she saved 2 of her pregnancy announcements for when we all got together!!! She had such talent with music. I never got as good as her with the flute and never made it to play the piccolo. I wanted to play as good as her one day! I was so grateful that she was able to make it to out wedding. To travel so far with young ones is a big task, but she did it! Her dedication to her kids.... Remarkable. True love! But that laugh...Her laugh will forever be engraved in my mind. That contagious, genuine, deep felt, loving laugh! God i love that laugh! Sending all my love and prayers.*

“ *I don't care what game it was or who played, if her kids were there so was she. I was blessed to work shoulder to shoulder with this mom as we watched our kids on the field. She LOVED her babies !!!!! Praying for the family #Cougarmom #Hawkmom*
