Paula and family, We were so fortunate to meet Ray and Kay during wrestling meets. We loved visiting with them and spent many athletic events at Mac! Kay so loved her family and spoke to me about them whenever I visited with her. I've missed seeing her the last few years. Our love and prayers to you all.

“ Kay was a wonderful soul and a great conversationalist. I'm glad to say I was able to share way too few of these moments. My fondest memory of Kay is our early morning talks over coffee before everyone else got up.
I pray for peace for those closest to her.

“ For years Kay was always the first face you'd see when entering the YMCA, and she always had a big smile, and something nice to say. I've been gone from Kankakee for decades, but Kay, and Wes Walker who managed the "Y" will always be remembered as exceptional people. May she rest in peace.
