“Katie was my favorite person. When I met her I fell in love, she was the best teacher anyone could ever meet. If some one is reading this and you had Ms.Shingle, please like and comment. May she rest in peace

“Katie was my favorite teacher. She taught classes so well, that she became my favorite teacher. When I had her, she was so nice, and she knew that I couldn't see the board from where I was sitting so she moved me into the front of the class that way I could see the board. When I found out she passed away, It made me cry so hard, that I couldn't breathe at all. So I hope she lives a great life in heaven, watching all of us have a good time.

“My heart goes out to Katie's family and friends. I taught with Katie at Chebanse Elementary for a few years. We taught each others kids-- I had Bailee in 4th grade and Katie had my son Charles a few years later. Katie's strength and resilience was second to none! She was genuinely a loving and caring individual who I will always remember fondly. Wishing you all love and peace during this difficult time.

“ Our deepest sympathy to the Schingel and Chinski families. Katie was a student at St. Patrick's and then later when she joined the staff at Sts. Patrick and Teresa we had the privilege of working with her. She was a dedicated teacher who always had the best interests of her students at heart and whose talents and caring attitude will certainly be missed. Her positive attitude in dealing with difficult health issues was an inspiration to us all. God bless her with eternal peace. Michael & Virginia Wayer
