“ *So sorry for your loss 😞 Kathy was a great friend of mine since 1985 when we first met. She spent many holidays with us even bringing her mom and dad what fun and good memories always remember how much she helped with any medical questions and talking for hours at a time on the phone. I can't tell you how much my husband and I miss her. I know she is an angel 😇 watching over her best friends. See you again sometime on the other side love you always... Terriel and Steve Drayton 😞*
