“ My deepest condolences to Brian and the rest of her family. We all worked together at Ponderosa Steak House back in our younger days. You couldn't find a nicer person than her. This world just lost one of its best. RIP Kathy.

“ I don't know where to begin. I've known Kathy since we started school in Limestone. From then until now, there are so many memories, I'll never forget. We had so many laughs and good times. She was so blessed with Steph, and Brian. She thought the world of her grand babies. We only have one and I use to tease her and tell her she should let me borrow one of hers. We hadn't seen each other in awhile, but I knew she was always there. As long as I have known her, I don't ever think she spoke badly of anyone. She was an angel on earth, and she continues to be in heaven. God Bless her and all of her family and friends. RIP, Kath. I'll always remember you. You were one very special friend, and will always carry you in my heart. I love you always. Lisa (Mark) Stipp. 🙏❤️
