“ Kathy became a close friend and confidant of mine here in North Carolina. As soon as I met Kathy I knew she was a genuine loving kind soul and I sure enjoyed just talking with her about life in general, our families, and our first grand babies.

She was a great house cleaner and helped me several times especially in cleaning my sons home when he moved. I enjoyed being with her. I loved her dearly.

I am sure she is an angel with us now and in peace with Jesus. I especially want to let the family know that I am sorry for their loss and will be praying for them. I am sure it is so hard.
