“ Kay and AJ have been mail couriers her at Presence St. Mary's for many years. I always looked forward to their rounds on Tuesday's and Thursday's. Kay pushed the cart, while A.J. would hand out the mail along with a sweet treat and a small chat to all the departments. Kay told me "You must be important, look at all the mail you have today". I will surely miss Kay, her smiling face and news about the latest family happenings. I hope there is electricity in heaven so you can plug in your lap blanket and keep warm.

*I'm sending warm hugs to you in heaven and will think of you always, as you both have found a place in my heart. I have not ever witnessed more love and adoration between a couple. Watch over us all, especially dear A.J. and your family.*
