“ What can I say about a woman I trusted with our children. She made it so easy for Dave and I to go ahead and go to work with no worries, knowing that they were all being taken care of with tons of love and attention. I will never forget the New Years Day parties, snowmobile rides in the country, the cookouts and all the bonfires we used to have. You will be surely missed Kay.

“ To Richard and family,

I was so sorry to learn of Kay's death today when Norma Jean (Nordstrom) Bailey called to let me know.

I hope that the photos, letters and other things we sent in conjunction with the 50th class reunion she was able to enjoy. We missed having her with us!

Please keep us informed when you are coming to Zearing in July as the class would like to be there to support you and your family at that time.

May the Lord be with you.###imported-begin##Janet (Mehlow) Lindgren###imported-end##
