“ *My deepest sympathy to Kelly's family and friends, I worked with her for years and Midwest Transit Equipment and I have so many memories with her from there but some of the best are from when I first started and her husband Bobby would call the office... you never knew what he was going to say or who he would claim to be when he would call for her!!! Rest easy Kelly!*

“ I've so many memories of my dear friend but the life changing memory is that if I hadn't met her in back in 1974 I would never have met my husband of now 35 years.

*Love and miss you Kelly Sue!*
