“ Kelly was my sister and as u can imagine we had a lifetime of memories. She was so smart and funny. She taught me so much cooking just being one of them. She always said how much she loved cooking for me cause I always loved EVERYTHING she made! And that was true. I will miss her always and forever. Love you till my last breath. ❤️

Kelly was a special friend. She is on the Mt Rushmore of friends. The world is alot emptier without her in it.

She was a great friend who was always there for family and friends. I'm really gonna miss her. She was the sister I never had.
