“ I have many memories that involve Kelly and they all involve laughter. I will miss our talks about our pets - she was always so interested in Maxx, Maggie and Marshall. I will never forget how I had said to her that I lover chocolate chip cookies but didnt like all ths chips in them so she made me some without any in them any time she made a batch. She always had special treats On Halloween for my grandkids too - she was a kind soul and I will miss her often
