“ I am thinking of you and your husband at all of those Little League games. You and Ken were so involved in the kids and I knew you were great parents.

Ken was the same age as my son, Kevin and I can not imagine losing him. My deepest sympathy I expressed to your entire family. But you have the fortitude to carry on as Ken would have wanted. I send love and Prayers..

“ I knew Kenny years ago and had not seen him in a long time until after his accident, even after all those years and the injury he had not lost a bit of his humor and personality. Working with him was a treat.

“ I grew up with Kenny and have hundreds of stories. It would take me days to tell them all. However, I can tell you he was a great friend but an even greater father and husband. My friend you will be missed.

Kenny grew up down the street from me on Sangamon St. in Crete. He always had a smile on his face and was excited about everything. I've only seen him a few times in recent years, but he was still the same positive and happy guy.
I'll miss him and share my condolences with his family and friends.
