“ Lesa and family, so sorry to hear about the passing of your dad.   
It's been so many years since I had met your folks, and its been so long since I have seen you. Know my prayers are with you and your family at the most difficult time. My husband and I winter in Florida, and I always try to read the Journal on line to try and keep up with what goes on back home. May God Keep You in his Care.
