Dad, I missed seeing you greet me with your smiling face yesterday. I will never forget our time together or the last words that I heard you say "Tell my little sweetheart that I said good morning". I feel very honored to be your daughter and very proud to say you're my dad. I also am happy to know that I look like you.(No offense mom) I know that you had to go and I'm happy for you but, words can never describe how much I love and miss you. Love always, Tammy
