“ God bless Slim, I always enjoyed speaking with him when coming out of the woods behind his house, he sure had away of making me laugh, he could roll up silently behind me with his cart and startle the daylight out of me. It just won't be the same without Slim around.

“ Bonnie, Kenny, Keith and the family, I am sending heartfelt sympathy from myself and family (Tammi & Matthew). We have so many fond memories of Slim, especially the boys and the fishing adventures at the river. You all were such good neighbors (down on the main road) as the kids used to call it. So many fun times at school events and cookouts are good memories to have forever. May God give you all comfort now. Donna Corriveau-Cole
