“ Ken was a cousin I got to see far to little of.... the lost time I talked to him was in Dec., right before mom's 80th birthday. I was hoping he would be able to make it down. We had a good talk, remembering fun times at family gatherings.

You will be missed my cousin in life, my brother in Christ!

“ Kenny was a fun loving guy, who always made me smile. I have a lot of memories to cherish and hold on to, However, one of my fondest memories of Ken was being at Bogies Bar (I think that was the name) and him singing karaoke to me: Beatles song Michelle. .

Ken will be greatly missed. Hugs and prayers to the family.

So much I want to say so little space to say it. Jesus did a great work in his heart.....Was so cool watching Ken grow in his sobriety and his walk with Jesus. His love for his family, God and constantly reaching out to others...to give them the message that they could live free from alcohol and drugs. He's leaving us to early, I'll miss taking him for a ride in the convertible...doing a burn out and laughing...I'm just going to miss Ken Westphal.
