“ I worked part time during my senior year of high school 1990 at Donut Land and Kevin was an awesome boss, he was someone with a big heart. Every time I pass by the old building I think fondly of those years and the people I call friends. May his family draw comfort in the happy memories he shared with all of us. He will be missed and man could he make a great donut!!!

“ I had the pleasure of working with Kevin at Ultra Foods for a couple of years. He was an amazing person and was always very hardworking with a smile on his face. I remember the massive garden display he would build in front of the store. My condolences go out to his family.

So sorry to hear of Kevin's passing. We were cousins and I have sweet memories of time together with our aunts, uncles and cousins at our grandmother's home in Kankakee. My mom, Wanda, his aunt, loved seeing Kevin at Ultra Foods and chatting with him. Kevin was a surprise to his whole family as he was Aunt Gert and Uncle Krauk's only child, born on his mother's 40th birthday. Love you, dear Cuz!
