“ My daughter Kathy went to High School with Kim, played bells together at Asbury UMW and spent times at each others homes. Kim was always happy, loved having her over, lots of laughter, joking around. Remember the skate-a-thon at church to raise money for a bus, they skated all night, Opal, her mom and other mothers fixed breakfast for everyone involved, got the bus went on a mission trip to John's Island, N.C. what a time we all had. Kathy would have loved being with your family during this time, My love to all of you, will not forget the times together, or her beautiful smile. Her memory will be held close. God Bless, may you find peace and comfort knowing so many loved her. Terri

“ I am so sad to read this. Kim and I used to have a lot of fun in high school, hanging out in class and sometimes after school. She was always fun to be around, had that beautiful smile and and a great sense of adventure. I just thought about her the other day; maybe that was Kim's way of saying "Hi".

Fly with the angels, sweet Kim. I am sorry I didn't know you as an adult - you were a good friend, and those are hard to find. I will bet your daughter is amazing, just like you. <3

“ Kimmy , your Earthly challenges are no more. Sleep peacefully darling.

Kim's one diamond gem, is her daughter Sydney Nicole,who she was most proud of .

Kim played the flute in Eastridge HS band, loved dancing and music and being around friends. She liked hockey and followed the Chicago Blackhawks. As a animal lover, she always was surrounded by pets and would take in rescue animals..

She never got to travel much beyond her home state or the Chicago area,but she yearned to visit the Western USA and Florida.

Will always remember her flair for dressing and fashion ,but most of all her jovial laugh and beautiful smiles.

I've been out of state for several years and just learned this sad news. The last time I saw you, well, you know. I've thought about you so many times over the years and have prayed for you, I guess the road was just too damn hard. I'll remember the good times and your smile and wicked sense of humor. I hope that you've found your peace and will smile down on us. I think you are because of what happened the other day when I thought I saw you, maybe it was your way of telling me to give some help to somebody else, hope it made you smile when I did what I could. Rest easy Kim...
