“ Kitty and I attended a nursing program at KCC together. She drove her “ green tomato” as we called it. Oh the fun times we had discussing our patients back & forth to school. Kitty had a heart of gold, so passionate and caring. She loved being a wife and mom more than being a nurse. My deepest and sincere sympathy to all of the family. Living in Arkansas hinders my making the visitation, but please know my heart aches. She was one of a kind.
