“ My mom and I want to express our deepest sympathy in the loss of your mom and wife. I have many fond childhood memories of spending time at your house, how nice your mom was, and what a good cook she was. My mom told me about the time that Tina got angry at a co-worker at the nursing home and threw a salt shaker at her. She said that you always knew where you stood with Tina and she always told it like it was.##imported-begin##Rhonda (Graveline) DePasquale##imported-end##
