“ Bill, Cyndi and Mitch,
I was so heartbroken to hear of Kristin's passing. I cherish the memories I have of when she came to my house to get on and off the bus & the occasional day off of school she spent with us. Her smile, sense of humor & love for the younger children are the fondest memories of all. That amazing smile of hers always melted my heart! She was a sweet, caring girl & was an inspiration to our entire family. We feel so blessed to have gotten to know Kristin. We will be keeping your family in our thoughts & prayers. I'm so sorry we are unable to attend the service, as we are in Florida watching Hannah & her college team play softball over spring break.

With deepest sympathy,
Dawn, Joel, Molly, Hannah & Jarrod Knappe

“ Kristin was always such a sweetheart when we had the opportunity to work with her at Sylvan. If she came in with that determined pout, it never took long to see a smile, especially if food or stickers were involved! You will be dearly missed sweetie! Prayers and hugs to you and your family.

“ I have worked with Kristin for the past two years and during that time I have become very close to her. I considered her a very good friend and I have had nothing but good memories with her and she was a beautiful happy soul who I will always treasure having in my life. From Disney CDs and dancing, to her helping me when I needed her to, to the constant smiles and hugs I will always miss her and she holds a very special place in my heart. Her love for the children was clear and she never couldn't put a smile on my face. Kristin brought joy to my job every single day. My deepest condolences to her family and my strongest prayers to her in heaven.
