“ Richey Family & Friends ~

~I have been truly saddened by the sudden loss of Kyle. My most apparent, fondest memories of Kyle are when he played football with the Bourbonnais-Bears with my son. He was always with his brother (Nathan) and I would always get the boys mixed-up. ~ I can only imagine how difficult this time must be for your family, but I just wanted to let you know that you have been in my heart and prayers.

*Kimmy,
I'm so very saddened by your tremendous loss. We really loved it when Danielle baby-sat your kids. Kyle had such an outgoing personality even as a little boy. You are definately in our prayers. No one quite understands why life turns out like it does, but rest assured we will understand it all when we get there.*
