“ Larry will be missed by all that knew him, as he was a kind and giving person. He devoted his life to his family and his work. All six of his children along with his wife will live out his legacy. They have all been brushed in physical and spiritual Glidewell likeness in one way or another.##imported-begin##Jane Regas##imported-end##

“ We did not know Larry all that well. He had worked on our car several times. We know David and Tammy more as we went to school with them. We are very sorry to hear about Larry. He was always a nice guy and very considerate of "our" time. Always, had the car fixed when he said it would be done and always took us to get a rental car when needed. We are really going to miss him as a mechanic. Please let David and Tammy know that they are in our prayers also.###imported-begin##Crystal (Thompson) and Ron Diepeveen###imported-end##

“ I'll forever remember the marvelous Glidewell family plus Buster and Babs too. i½May your hearts be conforted at this difficult time. i½Larry will always be remembered as that smiling, quietly efficient guy who would do anything to help you out. i½He and Jim D. came out at 7 p.m. one night when it was 10 degrees and snowy to replace my windshield wipers. i½Of course Larry laughed and said, "no problem, glad to help."###imported-begin##Nancy Brown###imported-end##

“ When we think of Larry, we think of all the fun times we had at our house in Bradley, especially the "Spoons" games! We also remember Larry and Cathy's visit to our house in El Paso, Texas, B.C. (before children). Larry was a wonderful husband and father. He was like another son to us. Cathy, we love you and are praying for you and the children. Larry is home with his Heavenly Father now, and we will all be together again one day. I wonder if we'll be playing "spoons" in heaven???! Love, Mom and Dad
