“ We met Larry at the doors of our church every Saturday night for the last few years. He lit up as my husband greeted him, one Marine to another. He always smiled, never complained, happy to make it through each week. Both of these men had health challenges and their friendship was based on respect that they saluted the challenges, one week at a time. He was a strong man, grateful for life. He was an inspiration to us. We will think of him, especially on Saturday nights. Linda and Don Coleman

“ I remember Larry as a devoted animal lover. In fact, that is how we met over 15 years ago through our, mutual, love of Skye Terriers; I loved hearing the stories that Larry would share. He was a very kind, loving, and giving person; he, genuinely, cared about others. It was not just "an act." There was nothing false, superficial, or artificial about Larry; he gave you his all. Larry was a man of great inner strength and courage. We shared our faith; he was an encouragement to me and I will miss him, greatly,

Larry, every time I see a Skye Terrier, you will come to spend time with me, again; however, in my heart, you will always be present.

“ I remember Larry as a very dedicated Auxiliary Policeman in Kankakee, and an integral part of our Police Dispatching Staff. He was always ready to work the extra shift and take on additional responsibility. He also performed security work during his off-duty hours, worked with security dogs, and took a great interest in public safety. He had boundless energy, initiative, and exuberance in all that he did. I missed him when I left Kankakee.
