“ We were so saddened to hear of Lar's passing. ĩ½I have not seen him in quite a few years, but have so many great memories of him. I know my daughter, Kelsey Kuntz thought the world of him. ĩ½I will always remember Lar as one of the nicest friends I came across while living in the area. ĩ½During the time I was married to Jerry, Lar & Sus were a constant friend in our lives. ĩ½Lar always had a contagious smile and was rarely in a bad mood....unless ofcourse a race didn't go his way!!! ĩ½He will be sadly missed by many, many people, and I am certain there will forever be a void at all the dirt tracks Lar loved. ĩ½

“ I met Larry(and Suzie)at SanteFe Speedway many years ago through my brother Art and my Dad, Art Sr. ï¿½Knowing Larry has been one of life's greatest gifts. ï¿½He was kind and sincere and so much fun to be with. ï¿½Have you ever shared a "private joke" with someone special? ï¿½ï¿½That dumb joke that makes you laugh out right out loud everytime it comes up. ï¿½Sometimes Lar and I would just look at each other and bust up laughing. ï¿½And... when things in life weren't so funny, Lar always knew exactly what to say to make you feel better. ï¿½He was the best and I absolutely adored him.

On behalf of my entire family... Betty & Art Fehrman Sr., my brothers Bill and Art "Fireball" Fehrman...we would like to express our deepest sympathy to Suzie and the rest of Larry's loved ones. ï¿½He was a great man and his memory will live on forever.

“ I knew Larry through his brother, Terry, one of my closest, lifelong friends.

Mostly I saw Larry at Nourie family gatherings. Like all the Nouries, he was gracious, friendly, caring and totally genuine.

I talked with Larry whenever I saw him, and it was like picking up on a perpetual conversation. We'd always recall the good ol' memories, exchange updates and share new stories about brother Terry.

I know nothing about car racing and all that metal under the hood, but I'd always ask Larry about his work and passion. I'd ask, because Larry could explain in an interesting way, helping me to understand his excitement with racing and getting a smile on my face as he peppered talk with some funny anecdotes.

The world needs more people like Larry Nourie. He cared and he gave. Always.

My wife and I extend our condolences to Larry's wife, Susie, and to Terry, Gordon and Sandi and the entire family.

Our love,

“ My father bowled on a league team with Larry and on the occasion I was home from school I would join my dad for a few games after league. Larry would often sit there with us, making conversation and helping me develop my own game.

Aside from his obvious level of sincerity, Larry always stuck me as an extremely genuine person. He asked how I was doing not simply to make conversation but because he actually cared. Being around him made me want to try and be a better person like he already was.

My limited exposure to Larry inhibits me from commenting further, but I can say that the amount of time spent with Larry compared to what I learned from him is insurmountable. I know he is in a better place right now, and I pray that his spirit continues to inspire as it has already done so for me.##imported-begin##Adam Joines##imported-end##
