“ I have fond memories of Larry. Sad to hear of his passing. Humorous memory of Larry was the day he and I were visiting in front of my place when the neighbor across the street got in her car and began to back out. I warned him that we needed to get out of the way. I don't think he really believed me. About a half hour later he stopped by and said she had run into the ditch across Ellsworth Street. They had to cut the top of her car off to get her out. Fortunately, she was uninjured.

“ Larry was a great neighbor. His dog Sophie and my dog were fence friends in the alley, always stopping by to sniff each other when they were out for a walk, or a ride!! Larry had the most fun on the 4th of July, entertaining the whole block and riding down the alley with firecrackers attached to his scooter. I will miss the rhythm of the seasons knowing when Larry left for the winter and returning in the spring. I noticed every year. I didn't know him well, personally, but I will miss his presence in the neighborhood. My prayers are with his family and friends.

Larry became my stepson on September 28th 2023. We became very good friends. As I got to know him I realized what a good man he was, he would not hurt a fly. We always very much look forward to him coming here in the winter. I can't describe the loss that we feel.
