“ I'm so sorry to hear about your loss. I was shocked when I saw this posted on Facebook. Laura was a year behind me in school and was in choir. I enjoyed talking with her and enjoying her company. She was always so sweet!

“ *Laura and I were in English 3 class together junior year of High School. I remember how she loved to run everywhere and how she would jokingly ask me if I would like to run with her (I avoided running just as much as she loved running). She was kind, encouraging, peaceful, insightful & dedicated. I have often wondered about her after graduation. I knew her for just a short time but, she was a light I feel blessed to have shine into my life. My thoughts & prayers are with her family!*
