“ Laura was such a delight to be around when we had the opportunity to share family events. She was a very special sister, daughter, wife, mother, and grandmother, and she obviously filled each of those roles to perfection. We wish we could be there to show our support and provide whatever comfort we could.##imported-begin##Bob and Karen Bruketa##imported-end##

“ We will miss you very much Laura. ĩ½You helped me learn so many things when I started at KACC, and you were always willing to help on projects, day-to-day things, and whatever we needed in a pinch. ĩ½Our thoughts and prayers go out to your family, as I know they will miss you even more than we will. ĩ½May God hold you peacefully in his kingdom forever.

“ We are sorry for your loss. "Nana" was such a great person. She will surely be missed at all the soccer games. She was such a great grandmother and always took care of her family. We are so glad we had a chance to meet her. She will be watching Josh from Heaven. Take care and God Bless. If you need anything, please call. “ At the Career Center, Laura, was always a friendly willing to help person. ĩ½At the loss of my son, Bruce Spaulding, she was very sympathetic, understanding and willing to do what ever she could. ĩ½My husband, Gale, knew Manny as they worked together at KCC Truck Driving School. ĩ½

We would have offered our sympathy in person but I am just recovering from open heart surgery. ĩ½But please know that we are so very sorry of your great loss of your wife and mother. ĩ½###imported-begin##Jane & Gale Lehnus###imported-end##

“ Dear Lazaro family, especially Susan! I am in total shock as I read through the news today. I am saddened to hear about Laura's passing. She was such a positive and wonderful person who helped me everyday during the year I worked there. I could ask her for help, advice, delicious recipes and more. I really enjoyed her happy disposition and genuine smile that occurred daily. She kept me posted about Susan's college experience, getting married and having a baby. I can't imagine the loss the Career Center is going through but even more all of the Lazaro family. She will be sorely missed. My thoughts and prayers are with you. “ No matter how young or old, to lose a parent hurts beyond words. Please know Scott, Jenny, me and our families are thinking of you all now. Take comfort in knowing that your mom is no longer suffering. We talk about our parents all the time. This keeps their memory with us and our children. Sorry no secret to share in how to make the hurt go away. It only helps to think of her wonderful life as a loving mom and devoted grandma! We all agree she was so kind and gentle and we are always here if you need us!

Love,

Tami, Scott, and Jenny###imported-begin###Tami Walters###imported-end###
