“ My dear friend - <br><br>You will be missed in so many ways. I will always treasure all the fun we had as kids and how you came back into our lives as an adult. I know you are in a better place and will be watching over your family and Dorothy who was your strength in the end. You enjoyed life and my only wish is that you could have had one more trip to FI. I will think of you every time I see that motorcycle go by or ask "Do you really have raw osters on the menu."##imported-begin##Nina & Lee Pilon##imported-end##

“ Dear Daddy,<br><br>I did not realize how hard it was going to be to go. Your smile, your laugh and humor will always be cherished. You were a great dad and I just want you to know that. My only wish is that you could reach down from heaven and heal my heart because it is broken now. It's so sad that now that you are gone there are so many things that I could of done and should of done to show you how much you meant to me, nad I didn't. It is me who will have to carry that burden of regrets for the rest of my life now. I want you to know though if it wasn't for you I wouldn't be who I am today. So rest in peace now daddy and feel no more pain and I will see you again someday.##imported-begin##Barbie Sharp##imported-end##

“ Dear Posing Family,  
We send our sympathy to all of you.  
We attended Peotone High School with Lavern and Judy.  
Lavern's band played at our wedding reception on June 29, 1968. I recall him being a very talented drummer!  
Our thoughts are with all of you.  
In friendship,  
Joann (Schmidt) and Don Jeffers

Try to remember the happy and pain-free days he had with you.  
You have many memories to cherish.  
I will always remember the funny, kind, caring person he was!  
I'm so glad my dad was able to give him one last motorcycle ride!
