“ We are going to miss you Uncle Lawrence. You have given us great memories, you will always remain in our hearts. You were so caring and sweet and thrilled to visit with family and friends no matter what the event was about. I will remember all the things you did from giving the dinner prayer at my wedding to setting up the camper for me and my sister to sleep in and then we chickened out after you worked all day on it, to flying the kites with you, there are so many great memories I will keep in my heart forever.

“ I did not know Mr. Whiteside but I know his daughter, Julie. I have heard Julie speak of her dad many times and I know she loved and respected him with all of her heart. Julie took such good care of her dad and always did her best to make sure that he had the best quality of life possible. I am sad to hear about his passing but I know that he was loved and left this world with dignity. The family has my most sincere sympathy.
