“ I am so saddened to hear of Lee Ann's passing. She was a patient in a doctor's office that I worked at and we always loved having her come in because she was always so very nice, always had on a beautiful perfume and brightened your day with her smile. I'm blessed to have known her and will miss her!

“ LeeAnn was a very special cousin to me. We lived many miles apart and did most of our communication through texting. I loved her positive outlook on everything. She loved to share the family happenings, sharing mostly about Candi and Brett and their families. She loved her Jimmie so!  
My family loved LeeAnn and Jimmie's visits to Florida. Playing cards was the most fun with them. I am very sad she is no longer with us. I will sure miss our talks--As we always said to each other, " I love you and keep in touch." Rest in peace my special cousin.
