“ To the family,

You all know me & how close I was with your Dad. I will sure miss not seeing him anymore. We always had a good time together. We had planned our usual trip to the Newport Hill Climb & it will be very strange him not being there with me this year. My thoughts are with all of you. I miss him already.

“ Leonard will be greatly missed. ĩ½You could always count on a smile each time i walked into the shop, and not to mention wanting a higher rate on his CD or a lower rate on his loan. ĩ½He was a great guy and I am just glad i got to know him. ĩ½Hold on to the memories and talk often of him.
