“ Sis, Kath, Rachel, and boys, I am very sorry to hear of the passing of your father. I lost both of my brothers so I am no stranger to grief. Time really is the healer. I have so many wonderful memories of the times I spent with your family. Dad always had time to talk, I remember moms homemade bread, Kathy giving up her footed pjs and singing to Diana Ross. Your parents helped to make a difficult time in my life better. You are in my thoughts and prayers. JoLynne

“ On behalf of the Class of 1975, we would like to extend our sincere and deepest sympathy to Kathy and the family. Mr. Kozlowski answered the call to teach - a noble and great calling, and for this even by itself, we give thanks to him and to the family for sharing him with us. May the Good Lord keep you in Peace and Love and good health always - your friends, the '75 Kayhawks##imported-begin##Westview Class of 1975##imported-end##

“ Leonard and I worked at Westview High School back in the 70's. I remember him as a math teacher who often like to joke a lot. I was sadden about his death. I moved from Kankakee in 1984 to San Bernardino, CA where I have been working since then. My sympathy goes out to the family. I taught science at Westview high school. I believe they have renamed the school since I left.
