“ Even though we drifted apart after our grade school and high school days I always considered you a good friend. Whether I ran into you at a church function, in the bleachers watching the kids play or perhaps crossing by each other in a store, I'll always remember your great smile and friendly handshake. You will be missed by many. Thanks for the memories and thank you for serving our country.

“ *Mulcahy Family, Len was second to no one. He was an incredible son, brother, husband, father and grandfather. He will be greatly missed. Your family is in our thoughts and prayers during this difficult time. I still remember re-constructing the sidewalk and steps in front of St. Pat's church with Len, Rory and a number of other parishioners.*

“ *Marilyn thinking of you and your beautiful family. What a great legacy and thank you for all the pictures, I remember many of them especially before and up to your wedding day. We feel fortunate to have spent some time enjoying Len's craziness at the Half Patty Fest. Once a year seemed to be all we could do as we went different ways both doing the most important of responsibilities, helping to raise a family. You are champions in the department. Thinking of Len and the great memories and some I don't want to recall. We had a lot of fun back in the day and that is what I will always carry with me. Love and Jesus's blessing to you and your family, Dave and Bernie*
