“ *I have fond memories of Leonard. We lived on Michigan Ave. He parked along side of our house. Our son was 4 and I would get after him for bothering the guys when they would be eating their lunch in the car. After awhile I had to start packing him a lunch to go and have lunch with them. LOL They always said he wasn't bothering them. We moved and Denny I worked with you at Jewel and would see your Dad at the store. I retired 2 yrs ago so I haven't seen him since then. I'm sorry for your loss.*
