“ Penny and Dale my thoughts are with both of you during this hard time. Your dad had a heart of gold. Blake and Dakota are so lucky to have had a grandfather that loved them and was so much a part of their life.

“ Penny, I saw the Obituary and wanted to say how sorry I am for your loss. It's been so many years since we have seen each other but I often think of our Days at Good Ol' BGS. May God comfort you in your time of sorrow.

“ Leonard will be missed deeply. He was a kind, generous, and loving man. Leonard treated me as one of his own when I was there, always trying to get me to eat or drink something whenever I walked in the door. He was also a comedian, trying to make everyone laugh. Leonard was always in good spirits. Dale and I used to run all over the place together when we were younger while Leonard did the yard work, I can not believe Leonard did not ring both of our necks or make me do the yard work for as much time as I was at the house. I sure am going to miss him. God will take great care of him!
