“ I remember making automotive paint for Leroy and talking with him while he picked up his paint orders and working with him to get the right color matches at the store formerly known as Daniels Auto Supply now known as Federated/ Fishers auto parts. He was almost always in a rush to get going but was always willing to visit some when he could. RSVP Leroy and I liked you and won't forget you. I feel for his family's loss and my thoughts are with you.

“ *Leroy and I have been friends for many years. Only weeks ago he came to visit me and was ALWAYS happy to see him. We've had a lot of fun though the years and will always miss his laugh and smile. He always wanted me to stop and visit and have to admit I now wish I'd stopped more often. I am very sad to hear of his passing and will keep him and his family in my prayers. I will never forget my friend Leroy.*
