“ I was friends with Les and I was so sorry to hear of his passing, I worked with him at Ra-Co Security / CBI. He was a pain in the butt and a hoot. He could piss you off and make you laugh. You are all in my prayers, please remember he is no longer suffering..

Poem of Life

*Life is but a stopping place,
A pause in what's to be,
A resting place along the road,
to sweet eternity.
We all have different journeys,
Different paths along the way,
We all were meant to learn some things,
but never meant to stay...
Our destination is a place
Far greater than we know.
For some the journey's quicker,
For some the journey's slow.
And when the journey finally ends,
We'll claim a great reward,
And find an everlasting peace,
Together with the lord.
